**Subject:** Pechiney - EPA Review of the Cleanup Report

Hello Chand and Linda:

This is a follow up to our dialogue today March 11, 2015. As I mentioned, I am meeting internally with my colleagues to go over the Pechiney reports and estimate by when we could complete our review. I will send an email message on March 12 to let you know our estimated review time frame and follow up letter acknowledging completion of the cleanup or approving the PCB portion in the cleanup reports. We can deliver our portion of the project before June and tomorrow I will have an estimate of how much sooner before June 2015.

Thank you for your courtesies.

Sincerely,  
Carmen
